## PRIVACY POLICY

Your use of <http://www.multicastmedia.com> and/or Multicast's products and services is subject to the terms and provisions outlined in Multicast's legal policies. Our philosophy on privacy is also defined here.

### Privacy Principals

1. Multicast is committed to meeting all of our obligations to our customers to protect their data and only to collect, use, and disclose it for authorized purposes. Multicast is equally committed to abiding by all applicable domestic, national, and international privacy laws.
2. Data collected, used, or disclosed by Multicast or its content delivery networks (CDN) partners is processed by Multicast on behalf of and as directed by our business customers. Multicast expects any of its business and/or reseller customers who do collect, use, or disclose personally identifiable information and who use Multicast to process that information to adhere to fair information privacy standards, including the principles of consumer notice, choice, consent and control, fairness and integrity.
3. When Multicast does process personally identifiable information on its own behalf, Multicast conforms to fair information privacy practices, including notice, choice, consent and control, fairness and integrity, as provided by applicable industry and legal standards.
4. To protect privacy, it is Multicast's policy and practice not to merge profiling or other usage data obtained in the course of providing services to our customers with the personally identifiable information of consumers. Multicast will not knowingly merge such data, except with notice to and consent by the data subject, except as may be legally required for law enforcement, judicial, or similar purposes.
5. Multicast's services use third party content delivery networks to collect non-personally identifiable information about Multicast's customers' use of media over the Internet. Each partner has published a detailed privacy policy that explains its approach in depth.
